

A festive Christmas scene. On the right, a large, decorated Christmas tree is covered in warm white lights and various ornaments in silver, gold, blue, and red. To the left, a white fireplace mantel holds a green wreath with red berries and a large red bow. Two red stockings with white fur trim hang from the mantel, each containing a small gift. Two gold candlesticks with white candles stand on the mantel. The fireplace opening shows a fire burning over a black log. In front of the fireplace, there are wrapped gifts, including a gold one and a green one with a red ribbon.
